THANK YOU

Carson City Orthodontics recently held a facebook challenge to Carson City residents. For each of the new “likes” they received on their facebook page in a two-week period, they donated one dollar to Carson High School library. They visited the Carson High School library this week to present a check for \$729.00 from their fundraiser on facebook. Students from Mrs. Riggin's and Mrs. Mariskanish's classes attended the presentation and submitted requests for new book purchases. Due to the great support from the students and community, the Carson High Library will be receiving many new popular books for our students. Thank you Carson City Orthodontics.

CHS CAR CRASH SURVIVOR HOLDS FUNDRAISER

Tiffany Day, CHS Senior survived a near deadly crash last year. She spent over five weeks in the hospital. While recovering, her parents stayed at the Ronald McDonald House of Northern Nevada. The Ronald McDonald house made it possible for her parents to be by her side on a daily basis as she recovered. For her senior project, Tiffany wanted to do something to give back to that organization. And so she recently held a volleyball tournament at the high school. Her tournament was able to raise over \$600 in which she says will go directly back to the Ronald McDonald House so that other families will have the opportunity to be with their loved ones in times of need. We are so proud of you Tiffany for making such a strong comeback and doing something to give back.
