### **CHS POOL CLUB**

On Nov. 16th, the CHS Pool Club conducted a Jr. Billiards tournament held at the Carson Lanes. The members of the pool club competed against each other for a brand new pool cue that was donated by Mike Havens to the club. Included with this donation was a case to go with the pool cue. Casey Richards is a local member of Carson who donates his time on Saturdays to the CHS Pool Club to assist and mentor these young people to better learn the rules, etiquette, teamwork, and skill associated with learning the game of billiards. Both Mike Havens and Casey Richards belong and play on different pool leagues in Carson. Casey ran the tournament the same way it is run in professional tournaments. The winner of the pool cue was Skylar Belcher. This was a wonderful opportunity for the Carson High Pool Club to be exposed to the official game of billiards. Many thanks go to both Mike Havens for his donation, and to Casey Richards for his

hours of time and expertise with our kids. Watch out Carson, there are young pool sharks in the making.

She is in Wind Ensemble here at CHS and her musical talents extend to playing percussion in the Territorial Youth Band where she gets to travel throughout the west coast performing for others. She also plays in a praise and worship band at her local church. She keeps herself busy volunteering for the Salvation Army where she has attained the rank of Salvation Army Senior Soldier.

Lizzy will attend UNR next year, majoring in veterinary science. She would like to have her own veterinary practice someday specializing in small animals. Carson High School is proud to spotlight such a bright and promising individual. Well done Lizzy and much success in your future!
