STUDENTS SAVE LIVES

HOSA would like to recognize two CHS students who saved a life! This past June, Junior Tyus Muckenstrum witnessed a man being pulled out of a truck at a gas station while yelling “help, help, he’s not breathing!” Tyus told his brother to call 911, checked for a pulse, there was no pulse, and began chest compressions. After 3-5 minutes the paramedics arrived, checked with Tyus that the 24 year old man had no pulse when he began compressions, and Tyus told the EMT that he did not. The EMT told Tyus that the man did now and that he had saved his life

This past July, Sophomore John Mariscal witnessed his 6 month old baby niece choking on a piece of banana. The parent was not exactly sure what to do, but John being CPR certified in class last year, took the baby and began chest thrusts and back slaps. On the 10th back slap the piece of banana came out thus saving his nieces’ life! Way to go Tyus and John!

SKI CLUB FUNDRAISER

The film, “Ticket To Ride” from Warren Miller Entertainment, put on by the CHS ski team, will be shown at 7 p.m. Dec. 13 at the Carson City Community Center. Tickets are available at the door. All proceeds to benefit the CHS Ski Team.

AP GOVT PREPARES

Twenty-one AP government students held their showcase practice night for the We the People competition at the Nevada Supreme Court this past Monday. Members of the class are divided into six teams to which they prepare answers to constitutional questions and then present those answers to a panel of judges, who then follow that with a cross-examination of questions that further test the students’ knowledge of the U.S. Constitution. A special thank you goes out to the following individuals from the Nevada Supreme Court who served as the judges for the evening. Justice Nancy Saitta, Clerk of the Court Tracie Lindeman, and the following attorneys: Josh House, Charles Finlayson, Matthew Johnson, Kimi Johnson, Dan Slimak, Ted Wells and Brandee Mooneyhan. The attorneys have also been mentoring the class all semester. Also judging that night were CHS teachers, Ali Cadwell and Patrick Mobley. The students will compete Dec. 14th at UNR at the District We the People Competition. The top four scoring schools will advance on to the State Competition in February. The AP Government We the People Competition class is taught by Mrs. Golik. The class requires a 3.5 or higher GPA to be considered to take the class, as well as a completed application. Besides the competitive portion

of the class, students will also take the Advanced Placement Exam in May for college credit. Good luck Senators at the District Competition.
