## *Eagle Valley Middle School*

May 16, 2012

Dear Parents,

We would like to extend a thank you to the parents who participated in our phone survey regarding Standard Student Attire at Eagle Valley Middle School for the 2011-2012 school year. The results of the survey indicate an overwhelming response in favor of Standard Student Attire at Eagle Valley Middle School. The data indicated that overall our inaugural year of implementing SSA was a huge success at Eagle Valley Middle School and played an important role in changing the atmosphere at the school in a positive manner. As a result we will continue with SSA for this coming school year 2012-2013

We are requiring navy blue, red, and/or white button polo shirts to be worn by our students as well as black/navy blue/ tan/ or khaki bottoms (pants, skirts, or shorts) fitted at the waist. Jeans of any kind or color are not allowed. We are offering the option of parents ordering the Eagle Valley Middle School logo wear or purchasing plain navy blue, red, and/or white three button polo shirts from local merchants. The pants, skirts, and/or shorts can be purchased through any local retailer. Enclosed you will find the Standard Student Attire order form. Orders will need to be made directly through Athletics Unlimited. You have the option of ordering through the Athletics Unlimited website or directly through the order form. All checks must be made payable to Athletics Unlimited. The website address is <http://www.au1988.com/eaglevalleymiddleschool>.

Enclosed you will also find the 2012-2013 Standard Student Attire guidelines for Eagle Valley Middle School. The dress guidelines address pants, shorts, skirts, tights or leggings, shirts, sweatshirts, undershirts, belts, shoes, and accessories. We have kept the guidelines within the Carson City School District Dress and Behavior Code. Please be aware that these guidelines are to help you, as a parent, make the best choices when dressing your student for school.

We appreciate parent feedback throughout the school year. Please keep the lines of communication open between home and school. Together we are partners in the education and success of your student.

Thank you,

Lee Conley  
Principal, Eagle Valley Middle School

Karen Simms  
Vice Principal, Eagle Valley Middle School
