

## **Our Beliefs**

We believe the following:

- All students can learn.
- Reading and language development are basic to all learning.
- Teaching of reading and language development needs to be integrated into all curriculum areas.
- Parents are our partners in education.
- It takes a village to raise a child.
- Schools must stress strong academic and social development.
- In order for students to learn and teachers to teach, schools must maintain a safe environment.
- Improvement is a necessity rather than an option.
