

JOINT RESOLUTION
CARSON CITY'S BOARD OF SUPERVISORS AND SCHOOL TRUSTEES

Whereas, Carson City is highly favored with caring citizens, vibrant businesses , modern services, and unbeatable recreation opportunities, that help make our "Quality of Life" second to none; and

Whereas, the leaders and citizens of Carson City treasure our youth, their safety, and provide a variety of ways to develop knowledge, skills, characteristics, and values to our young people so they reflect the attributes and beliefs of our community; and

Whereas, our community believes that each individual should play a vital role in empowering our youth to become tomorrow's leaders, thinkers, and innovators; and

Whereas, our community desires that our students have a strong academic foundation in the core subjects, acquire knowledge in global awareness, develop technical and problem solving skills, and be introduced to entrepreneurial literacy that will help prepare them for success in college or a career; and

Whereas, our City Government and School District are uniquely positioned to use their facilities, resources, and expertise to provide a variety of educational experiences and opportunities for our children; and,

Whereas, both agencies have adopted Strategic Plans that are geared toward improving, maintaining, and sustaining the "Quality of Life" desired by the citizens of Carson City.

Now therefore, be it resolved, that the strong and collaborative relationship that currently exists between the two agencies be recognized, celebrated, and renewed as a great asset to the success of our community; and

Be it is further resolved, that the Carson City Board of Supervisors and the Carson City School Board of Trustees formally adopt and endorse the Strategic Plan of the other agency and support the efforts of the other in a spirit of cooperation and true partnership for the benefit of our community; and

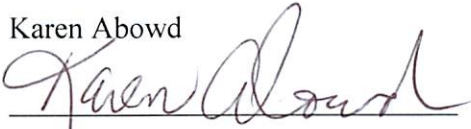

Be it additionally resolved, that through the respective agency's resources, facilities, and expertise, a high level of educational benefit will be provided to our youth and Carson City's unique "Quality of Life" will be preserved and sustained for our citizens for many years into the future.

The foregoing Resolution is approved and adopted by the Carson City Board of Supervisors and the Carson City School Board of Trustees on this 13 day of November, 2013.
